RE: Statement of Organization Cover Letter

Laura,

As per our conversation, the signed cover letter relative to our statement of organization that is included with this fax transmission was also sent in physical form on June 18th via USPS Priority Mail with tracking number 9114901159818696405760. The online tracking notes that the package status as of June 20th is "sorting completed" but not specifically noted as delivered. We understand that if the mailed copy is ultimately not delivered by the USPS that it will have to be re-mailed in physical form. However, today we are faxing a copy of the document that was enclosed in that package in order to demonstrate that we did complete the task. If you have any questions, or if the hard copy turns up, please feel free to reach me at 732-403-5638. We appreciate your attention to this matter.
